The Michaelman

WINOOSKI PARK, VERMONT | VOLUME 4 | NUMBER 14 | JANUARY 27, 1951

Students Will Vote For Carnival Queen

Barbara Chick is out to try for Queen honors for the second time after losing out to Peg Gilbert last year in a close contest. Barb, who lives in Beverly, Mass., is now going to B.U. where she is studying art. Bob Donnelly is her escort, this time from Ryan Hall.

BARBARA CHICKS

MRS. CHARLES GUILL

Mrs. Jenny Guill - the only married girl of the select group. Her husband Charlie Guill, one of the SHIELD photographers, must have an eye for beauty and he shows it here. Jenny hails from Nashua, N.H., but now lives in Winooski. She will represent the Off-campus students.

Joan O'Brian who will be escorted to the big affair by Bernie Smith is another telephone operator, very pretty too. Joan comes from Bullard Vale, Mass., and will represent that fine group of seniors in St. Leo's Hall. Miss O'Brian is a real outdoor girl, and should be right at home at the Carnival. She has blue eyes, light brown hair.

JOAN O'BRIAN

JACKIE ROUSSIL

Jackie Roussil is a blue-eyed brunette from Rutland, Vt., and she will represent St. William's Hall. She delights in dancing and swimming and is an ardent basketball fan when her duties as a telephone operator are over. Her beau is Pat Garofano, also of Rutland.

Seven Beauties Vie For Honor

It will soon be February 2, and on that date if you see Michaelmen walking around with their heads in the clouds and a dreamy look in their eyes it won't be because exams are over.

The big reason for the change in a large number of your classmates will be going down to the train, bus, and plane terminals to pick up that home town Queen. Even a larger number will be ringing doorbells in Burlington and Winooski to escort that favorite Vermont Date to the Big Weekend of the year. February 2 begins this " big time" of the winter season, it's the Carnival. St. Michael's Fourth Annual Winter Carnival.

A full schedule of events has been drawn up this year by the committee, and many hours of hard work have been put in on the Weekend.

The Carnival will start officially Friday noon at Underhill with the running of the Down Hill and Slalom on the Tear Drop. At 9:00 p.m., the dance of the year will get underway in Austin Hall. The music will be furnished by the Arabian Knights whom we consider the outstanding college band in New England.

Events will get underway with Ski Jumping at Underhill and Cross Country here at School. It seems as though sports will be the order of the day on Saturday, as a hockey game with R.P.I. is scheduled for early afternoon.

JAZZ CONCERT

The Annual Jazz Concert will take place in Austin Hall on Saturday noon but there will be no rest for the " joint will be jumping" to the jazz showmanship of Bill Cofrances and his Knights.

You will (you lucky ticket holder) just have enough time to eat and rest up before heading for the Madison Square Garden of Vermont to see the basketball game between two of the top teams in New England. St. Anselm's (11 and 2) will meet the Purple and Gold (11 and 1) in what shapes up as one of the top local court games of the year. This game could very easily be a preview of the finals in the First District of the National Catholic Invitational Tourney to be held in the spring.

It seems as though we will have to get a new set of arch supporters as there are events galore on this Winter Carnival Program. After the game there will be an informal dance at Austin Hall.

On Sunday, for those still surviving and who really don't care about being 1-A, there will be a ski trip that will leave for Mount Mansfield after the Skiers' Mass, in the Chapel at 8:00 a.m. The trip will get underway at 8:45 and return at 6:00 p.m.

The Carnival has been planned so that everyone will be satisfied for an all around great weekend. Have a good time and a good Carnival but please just a little prayer for snow.

TERRY O'BRIEN

Terry O'Brien will attend the Winter Carnival with her escort from St. James' Hall, Don LaBossiere. Brown hair and blue eyes make this attractive Malden Catholic senior a definite threat in the coming contest. Needless to say, Terry's favorite sport is football, but she likes to participate in tennis, skiing and dancing.

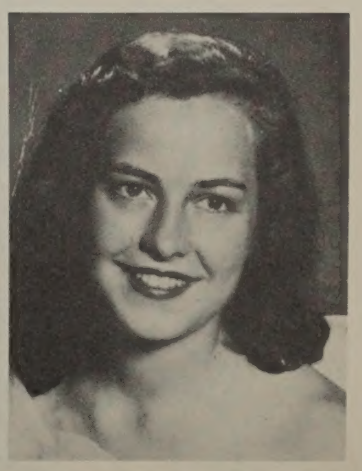
Pauline Prunier is another five-foot-two eyes of blue. Polly hails from Worcester, Mass., where she works for an insurance agency in the daytime and attends Becker Business College at night. Polly will be escorted by Fran DesRosieres from St. John's Hall.

PAULINE PRUNIER

CAROL GOSSELIN

Carol Gosselin is a five-foot-two with eyes of blue from Nahant, Mass. A senior at Lynn Classical (High School), Carol finds time to work as a sales clerk and to participate in tennis, bowling, skating, dancing and swimming. Tony Solomine of Old Hall will escort this pretty blond to the SMOC Winter Carnival.

Peggy Ann Gilbert of Rutland, Vt., won last year's Winter Carnival Queen Contest but is not a competitor this year. Peggy is a brunette with brown eyes. Her height is 5' 6", and cooking is her hobby. Her date last year and therefore Winter Carnival King was Jack Terenzini.



PEGGY ANN GILBERT

BASKETBALL GAME SATURDAY FEATURE

SMOC CARNIVAL PLANNERS

Pictured above, front (left to right): Don Slaven, Ed Millette, Bill O'Hearn, director; Prof. Cornelius Hannigan, moderator of the Outing Club; Joe Crowley, and Frank Davis. Back (left to right): John Noonan, Bill Doyle, Bob Flanagan, Paul Kaminski, Stan Hayes, John Provenzano, Jack Terenzini, Paul St. Marie, and Ed Rowan.

Jazz Concert For Carnival

Jazz is here to stay! At least it is becoming a permanent institution here at St. Michael's. For the second year in a row Bill Cofrances and the Arabian Knights will direct a jazz concert, a type of musical festival that was such a success last year. It will be a part of the Winter Carnival festivities, and will be presented in Austin Hall where the joint will be jumping on the afternoon of February 3rd.

COOKING WITH GAS

Bill Cofrances, whose band graciously consented to a repeat performance, stated that the Knights will be " cooking with gas."

As outlined now, the program will be divided into five parts. It is planned to accentuate the positive and for this reason Dixieland, Swing, Ballad, Rumba, Progressive Jazz à la Kenton will make up the several segments of the show.

NEW THEME

In addition, two special numbers are in store for those who can get into the Hall. You'll thrill to Chris Carey's rendition of " Twilight Blue," the Knights' new theme, and to Cofrances's original finger-busting, roof-raising, out-of-your-seat-and-start-jumping arrangement of " Saxophobia." Bill will play five saxes. Count them!

HURRY! HURRY!

Remember February 3rd Austin Hall. Run, don't walk. Women and children first, and every man for himself. Be sure to cut the gig!

St. Anselm's Hawks Among Best In N. E.

By Frank Simas

Saturday night, the St. Anselm's quintet invades Burlington's Memorial Auditorium for a game with the " red hot" St. Michael's charges who have been mowing down the opposition. The game will bring two teams together who feature a fast breaking attack indispersed with a large repertoire of fancy basketball maneuvers.

St. Anselm's has speed to burn as any who witnessed the game last year between the two schools will surely verify. They offer speed, along with shooting ability, as a necessary requisite for their basketball.

PLAYERS

The Knights took St. A's over the hurdles twice last year but fell short in their third attempt, losing by a close score in the Boston Gardens.

Our aspirants face either a tie in the St. Anselm's series at two all or a decided 3-1 edge which is bound to be quite an incentive to the members of both teams.

LUCKY TICKET HOLDERS

The " lucky" ticket holders (only selling 160) to the " Winter Carnival" will have quite a treat to offer their dates because, the custom of including admission to a basketball game with the purchase of a ticket, will this year include the St. Anselm's game.

LOTS TO DO

With the big dance Friday night, the informal Saturday night, and last but not least, the basketball game, the " Carnivalites" are in for a weekend that will be remembered for years to come.

If Winter Stays So Will Hockey

If old man Jack Frost and his side-kick, Zero Weather, stick with us for a little while longer we will have a hockey game come Carnival, Saturday.

The Purple and Gold pucksters are scheduled to take on a fast and clever R.P.I. sextet here at the Hilltop, February 3. All those who saw last year's Norwich game (the only one played all year here at Winooski Park because of the lack of H_2O solidified) are looking forward to seeing the 1951 edition of the Purple and Gold. The club this year is under the able direction of Fr. Larkin, with Jim Feloney and Jack Conway again serving as Co-captains.

During the recent cold wave, the boys have been holding regular practice sessions on the college rink and should be in fine form by the time the R.P.I. game rolls around. The addition of good men from last year's frosh squad have bolstered the Knights and all indications point for a good year, that is, if old man Jack Frost and his side-kick Zero Weather hang around.

Doherty Bows Out; Kennedy Takes Over

Bill Kennedy, managing editor of the MICHAELMAN for the past semester, will take over as editor for the remainder of the year. He will succeed Ray Doherty who has retired to a sanatorium.

Mr. Kennedy is well known as a newspaper man, dramatist, and Hollywood producer and director. His value to the MICHAELMAN has been valueless. Since he has been in the position of managing editor, the MICHAELMAN has been under constant fire from the Administration plus the Senate Investigation Committee.

In accepting the new position, Kennedy delivered a 5000 word extemporaneous speech, which will be sent out to any who are interested, for 50 cents (mailing charges included). The condensed version of the speech follows: " Whoever chose me certainly made a wise choice. I am by far and away the best man for the position. Though modesty is probably my chief virtue, I don't mind saying that the MICHAELMAN is now entering its most prosperous era .."

Draft Situation

Students now in college have a better chance of finishing their school year and still have a choice of the services at the end of the year. This was made clear last week in a new order issued by the Defense Dept., overruling the previous draft rule which drove a few students to the nearest recruiting station.

The new orders give the students who get a draft notice the right to volunteer for the armed forces of their choice before the end of their year is up. Specifically, the services will accept the enlistments in the two months prior to the final month of the term. Then the enlistees will will not be called until the term is over.

For example, if you receive a notice from your ever-loving draft board next week " requesting" you to report for a physical, you could get a postponement until the end of the semester or the school year. One or two months before the year ends, say in May of this year, you could sign up in the service of your choice. That service will accept you (if fit) and postpone your actual induction until the actual end of the year. This releases you from the clod clutches of the draft board

TICKET SCOOP

The big scoop around the campus is, " what is the story on the Carnival tickets?" As everyone knows, or should know by now, the big Semi-Formal Dance is going to be held in Austin Hall this year. This will necessitate a reduction in the number of tickets to be put on sale.

To be sure that all who attend will have a good time, with plenty of room to dance, the number of tickets sold will only be 160. That's right 160! So if as yet you haven't purchased your ticket you had better "get hot." One hundred-sixty tickets will not last long on this socially starved campus.

The ticket includes everything, dance, jazz concert, basketball game, - the whole works.

As they say at the legal race tracks around the country, DON'T GET SHUT OUT. GET THAT CARNIVAL TICKET TODAY - ONLY 160 WILL BE SOLD.

The ticket agents follow:
St. John's - Joe Vignaly
St. Pat's - John Cappuccio
St. James' - Frank Cotter
St. William's - Charlie Randall
St. Leo's - Charles Flanagan
Old Hall II - John Fitzgerald
Old Hall III - John O'Connor
Ryan Hall I - Bill O'Hern
Ryan Hall II - Bob Lynch
Ryan Hall III - Bill Doyle
Ryan Hall IV - Leo Cappuccio

FINAL QUEEN ELECTIONS FEBRUARY 1st

U.V.M. GIRLS HAVE LATE PERMISSION FRIDAY NIGHT

EDITORIAL

The Annual Winter Carnival has come to be one of the top social functions of the year at St. Michael's College.

Sponsored by the St. Michael's Outing Club, this much awaited event comes at the proper psychological moment for the students, the end of one semester, and the beginning of a new. With the horrors of examinations temporarily in the past, the Winter Carnival serves as that all important medium, as the transition is made from the old to the new.

Though the end of the Carnival is for all to have a good time, there is plenty of work, worry, and more work, before this end can be achieved. The ordinary student on campus probably does not know just how much effort accompanies such an undertaking. There is plenty.

It may look like peaches and cream, nothing but good times for all concerned, but don't let us forget that someone had to plan all this activity. It would be unfair to single out any one as the sole spoke in the Carnival wheel, because such a large undertaking could not be successfully accomplished unless it were a collective effort.

So, at this time, we would like to offer a few words of congratulation to the Outing Club and all concerned with planning the Carnival, and extend to you our wishes for the best St. Michael's Winter Carnival ever. (With snow even.)

WINOOSKI PARK, VERMONT VOLUME 4 NUMBER 14 FEBRUARY 3, 1951

Reigns As Queen of Winter

Carnival Notes

Girls! 200 - Girls! ... This year's Winter Carnival promises to be the best yet. An expected 200 *jaune filles* are to arrive in Burlington today and tomorrow to be on hand for the Carnival. The boys are preparing things to be in ship-shape order. Even though the second semester has already started, little thought has been put on it. The main thing is, " Who's got a car?, Got any black shoes?, Get me a table reservation, and Will it STOP snowing."

A few days ago, Bill O'Hearn, Carnival chairman, could be seen walking around campus with a very long face. He had unfounded fears that there would be no snow for the Weekend. At press time, Thursday, the same William O'Hearn was looking out at the " stuff" coming down in buckets and hunks. Bill wanted snow. Bill got snow.

It is interesting to note that the Swanton Bakery has contributed a big cake to be added to the prizes for the best snow sculpture on campus. The cash prize will still be the ultimate goal which seems, at this late date to be pushing the various halls on campus to ever increasing speed to finish " that statue."

Of the seven contestants for the Carnival Queen, five of them are from Massachusetts, one from New Hampshire and one from Vermont. All comments on these statistics will be purely personal.

But, enough of this. On with the dance. Come tomorrow, the local sports will take the spotlight, with a break for a Jazz Concert from Bill Cofrances and his Arabian Knights. Tomorrow night's basketball game between St. Mike's and St. Anselm's.

TERRY O'BRIEN

Miss Terry O'Brien (above) was named Carnival Queen by student vote among the seven representatives of the different halls on campus. Terry's escort and Carnival King is Sophomore Don LaBossiere of St. James' Hall. Both Queen and King are from Malden, Mass. Terry, a Malden Catholic High Senior, is five feet, four inches, tipping the scales at a neat 118 lbs. Terry and Don will reign with sovereign rule to make this the best Carnival ever.

The Royal Couple of the 1951 Winter Carnival will be crowned tonight (Friday) at the Carnival Ball in Austin Hall.

Carnival Notes

By Ralph Diehl

Tonight is the night the students of St. Michael's have been waiting for. The night of the announcement of the Carnival Queen winner which starts the Fourth Annual Winter Carnival here at the Hilltop. From now on in, it's every man for himself, where no holds are barred, and anything goes (control yourself, son).

We shall not reiterate any more on the charm of the Carnival Queen elected as you may go elsewhere for that information (she should be here some place). But we shall, in moments of utter usefulness give you a quick résumé of what is to follow tomorrow and the next day in the way of entertainment. This entertainment, to be sure, has been planned by a capable committee with the ultimate goal of leaving the students and their guests slightly more than well impressed (well, pressed anyway) with the " Winter Weekend at S.M.C." .....

FRIDAY NIGHT

If you are reading this paper at the time you were planned to read it, this should be Friday night and you are at the dance at Austin Hall. You have already seen or heard about the actual start of the Carnival at the running of the Downhill and the slalom on the Tear Drop. You are now listening to the melodious music of Mad Man Music and his Mad Cap Capers, who would be none other then Bill Cofrances and his Arabian Knights.

SATURDAY SCHEDULE

Saturday morning (tomorrow, if you care to think that far ahead ... Who's got a head?) will see the Sports Dept. of the college take over the

Continued on page 6

Carnival Court of Honor

Here are the six charming girls who will make up the Court of Honor at the Winter Carnival. Top row, left to right are: Barbara Chicks of Beverly, Mass.; Mrs. Jenny Guill of Winooski; and Joan O'Brian of Bullard Vale; Mass. Their respective escorts are Bob Donnelly from Ryan Hall, Charlie Guill who represents Off-campus students, and Bernie Smith from St. Leo's Hall.

On the bottom row, left to right: Jackie Roussil of Rutland, Vt.; Pauline Prunier of Worcester, Mass.; and Carol Gosselin of Nahant, Mass. Their respective escorts are Pat Garofano from St. William's Hall, Fran DesRosieres from St. John's Hall, and Tony Solomine from Old Hall.

EDITORIALS

22 x 30 660.
920 - 660 260.

These were simple mathematical truths when we went to high school, but facts may be different on the college level. For someone in charge of the retreat seems to have proceeded on the basis that 920 Michaelmen could be seated in Austin Hall with 30 rows of 22 seats for the above-mentioned total of 660 seats. They weren't though.

If there were usually less than 260 standing, it could have been partly due to the lack of any desire to stand through an hour session.

It may seem a little inappropriate to strike a jarring note in what was a stirring hymn of renewed faith, but these little careless actions mount into big gripes by the students.

Skiing - skating - hiking - bobsledding - dances - sleighrides - all functions of the largest club on the campus.

This organization, rightly termed St. Michael's Outing Club, provides the backbone for all outdoor and cold weather defenders, regardless of talent.

A shining example of the enthusiasm of this group is now in our midst - the Winter Carnival. Acclaiming such past rulers as Dottie Pratley and Peg Gilbert, this club has been spurred on in the search for another queen. With such nationally recognized queens to present, this search has led to the Fourth Annual Winter Carnival.

The Outing Club has enabled St. Michael's to be better known in Vermont and the rest of New England. With the not to be denied " visitors" who travel to this winter campus, the St. Michael's supporters grow. These beauties will have their chance to freeze (hockey), become hoarse (basketball), and present well nipped limbs (skiing), besides displaying their dancing ability, all for the glory of the Outing Club.

Our wish for the Outing Club is snow, ice and a nice nip in the weather to start a right spirited weekend. The weather of the week has almost assured ice for the hockey game and snow sculptures were already forming earlier in the week. The prospects for a well rounded three days are great.

A salute to the Outing Club - well done!

MATH AND CHEM MAJORS:

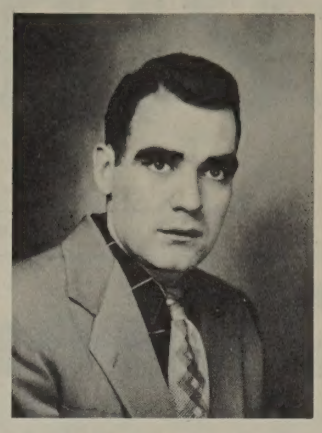
The Civil Service announces an opening exam for Engineering and Physical Sciences aid. Math majors and Chem majors can qualify for this exam. If so interested, check with the Placement Office for further information.

Many congratulations are in order for Professor and Mrs. Joseph Vinci on the birth of a son, Gerald Thomas, born January 29, 1951.

HILL WIND

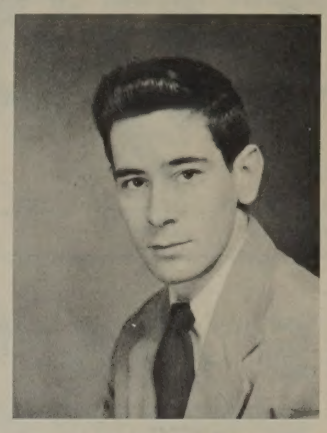
by Erald Medlar

Why should the Winter Carnival be more complete this year than last?



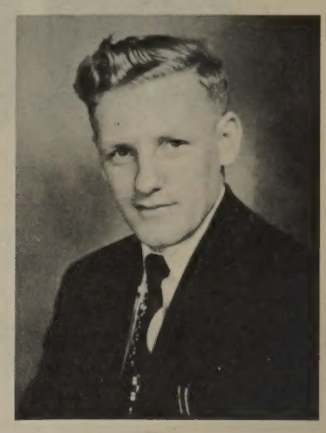
ERNEST WOODWORTH
CAMBRIDGE, MASS.

I'm sure that the Winter Carnival will be much better this year. This year I'm bringing my girl " Guppy." The addition of the varsity games in hockey and basketball give more interest. The events are frequent and the schedule complete.



L. FRANCIS DES ROSIERS
WORCESTER, MASS.

I think it ought to be really swell. How can it miss with all the staff working on it as hard as they are --? I only hope that we have more snow so that the skiing and snow sculptures will be up to par. A date this year also should make the Carnival of more interest to me.



JOHN NOONAN
SPRINGFIELD, MASS.

I think the Winter Carnival this year should be the best we've ever had. There is enough snow for skiing and, with all the other things that are being offered, everyone should have a good time. The dance should be great!

YE ED HEARS:

Letter to the Editor:

I make use of this gouge to point out the obvious: The rollicking Michaelman spirit at basketball games STINKS! Why? A good question, and since I just happen to be an authority on the subject, I will reiterate a few million facts to substantiate my original statement.

In the first place, when you take off for a ball game, the least you can do is to leave your gloom behind you. If goading the referees happens to strike your fancy, you have an inalienable right to do so without prudent fear of excommunication. The main point is, don't just sit there and sulk, DO SOMETHING. Possibly a good show-off act would stir emotions enough to get a smile.

Now, I might add a word or three about our notorious cheerleaders. I will admit, they try real hard, but nobody cheers, so I have deduced the following: (1) either they revive themselves with some raw eggs and moxie and solicit a little rah-rah or (2) try out for a part in the chorus at the " Old Howard."

In conclusion, I would like to advise anyone against acting too vehemently. Vermont Blue Laws forbid time bombs, rocket catapulsion, heckling UVM coaches (passed Oct. 1, 1950), etc. Incidentally, what ever happened to John Trotier's bell? Did his wife sell it?

If it has been my misfortune to offend anyone, TOO BAD. I leave you with a spiritual nugget: " He who hesitates falters." Chas. IV, iii, 34.

Charlie Bunnell

Dear Editor:

I don't know! The spirit of the Michaelman basketball fans certainly has me baffled. I'm referring to the response of these same fans at the basketball games. In most colleges, with reputable teams, the students cooperate one hundred percent with the cheerleader. Now I'm not insinuating the Michaelmen don't cooperate with the cheerleaders. They do but in a half hearted sort of way. It seems the only occasion the fans let the team know that they are behind them is when the team plays exceptionally good ball. Perhaps I stand to be corrected, if so please do it. But it definitely doesn't sound as if anyone is straining his larynx in support. The cheerleaders certainly do their part. Suppose you were to put a lot of honest time and effort into a project, naturally you would expect good results, or at least results! The only result we want is the satisfaction of knowing that the students are behind us in our attempts to give the team that needed push, in the form of a rousing spirit and tingling cheers. Maybe in the confusion of a time out the fans aren't able to hear the announcement of the cheer and maybe some aren't even familiar with the cheers. I intend to clear that up as of Saturday night. Each individual cheer will be announced loud and distinct. This Saturday our team will be fighting it out with the strong St. Anselm's quintet, the game in which our team will need every bit of backing. Looking forward to that result I spoke of, I remain cheeringly yours,

Frank Corica,
(Capt. of Cheerleaders)

Literacy High Among Seniors

According to local habits, the reading abilities of the seniors at St. Michael's College have increased. It is now a known statistical fact that fifty percent (50%) of the graduating class of 1951 know how to transfer written words into thoughts which in turn provoke action on the part of the reading individual.

This earth-shaking fact came to light in Fr. Hebert's office when he was trying to figure out why *only* half of the class of '51 has reported to him for a five minute talk. These talks were to help the good Father with figures which, in turn, would mean more knowledge of existing jobs for the " Hail-good-fellows" of the senior class. This was the only conclusion anyone could come to as regards the seniors when considering the fact that for the past three weeks various kinds of notices appeared in the MICHAELMAN urging the seniors to REPORT TO FR. HEBERT'S OFFICE.

These figures on the reading ability of the senior class will no doubt cause much havoc in the Sociology fields and other fields related to the strange actions of College Seniors... New books will be written, new methods of " Senior Study" will be devised, etc... Progress goes ever on and so to will that " other fifty percent"... on to make life more interesting ... in a statistical point of view...

Everyone ENJOYS SPORTS IN VERMONT

COLLEGE ADOPTS THREE YEAR COURSE

Professor J. M. O'Neil Delta Epsilon Lecturer

Prof. James M. O'Neill of Brooklyn College will give the annual Delta Epsilon Sigma lecture at St. Michael's College on February 12.

Dr. Jeremiah K. Durick, president of Alpha Nu Chapter, announced that the noted teacher, writer and lecturer will speak on " Catholics and American Freedom. "

The speech, in Austin Hall at 8:15, will be free and open to the public. It will follow the induction of 25 seniors and two alumni into Alpha Nu Chapter of the Catholic honors society.

A graduate of Dartmouth, who studied law at Harvard and the University of Chicago, Prof. O'Neill is chairman of the department of speech at Brooklyn College. He is former chairman of the committee on academic freedom for the American Civil Liberties Union.

Author of " Religion and Education Under the Constitution, " Prof. O'Neill has written " Catholics and American Freedom" which Harpers will publish this year. His earlier book was praised by the American Bar Association Journal, The Jewish Review, The Christian Science Monitor, as well as by the Catholic press.

First president of the American Speech Association, he wrote 11 books on speech before turning to the field of civil liberties.

Prof. O'Neill's talk will stress the accurate historical record of American Catholics and their devotion to democracy and civil liberties since colonial times. He discusses common errors of fact.

Fr. Dupont Announces Plans for Accelerated Course in June

Two summer sessions will be held at St. Michael's College this year so that students can finish up a full semester's work before the fall term. With two summer sessions, a student will be able to get his degree in three years instead of four.

In announcing the college's return to an accelerated program, Rev. Gerald F. Dupont, Academic Dean, said that the first session will run from June 25 to August 3. The second session goes from August 6 to September 14. The fall term will probably begin on September 24.

MORE FROSH

Freshmen will be admitted to the June 25 semester which will be the regular summer session, Fr. Dupont said.

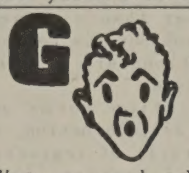
Students may attend one or both sessions, the dean said. A maximum of nine credits for each of the two sessions will be possible. Students attending both sessions can earn a total of 18 credits. The degree program covers 136 semester hours, an average of 17 hours a semester.

Freshmen, starting the June session, will be able to finish a complete semester before the fall term. This fall they will start the second semester of the freshman year. By attending continuously through next summer, they will be juniors by the fall term next year.

NO DISTURBANCE

The accelerated course, Fr. Dupont emphasized, will not disturb the regular courses or sessions. The college, he said, is simply adding these sessions to enable more students to finish their college work before entering the service.

The schedule of courses and the dates for pre-registration will be announced probably within 10 days, he said. A show of hands at the last student meeting indicated a desire for summer sessions.



Veterans should make a periodic check of their GI Insurance to determine that their policies meet current needs in the matter of beneficiaries and terms of settlement, according to Olney W. Hill, insurance officer of the Vermont Center of the Veterans Administration.

" Every veteran who has National Service Life Insurance should study his family's needs and make whatever changes are indicated in the terms of his policy from time to time, " Hill pointed out. " Information and help in arranging his GI insurance protection to the best advantage may be obtained by any veteran at any time at his nearest VA office. "

There will be no classes all day Saturday, Fr. Dupont announced.

"Chuck" Collova Takes Plunge

Charles Collova of Dorchester, Mass., and St. Michael's Class of '51, took the big step during the Christmas holiday. Charlie and Joanne Cosgrove were married December 30, 1950, in St. John's Church, Concord, N.H. Rev. Fr. Richard Bonner performed the ceremony.

While at St. Michael's as a Pre-Medical student, Charlie was a member of the MICHAELMAN staff, acting as Exchange Editor and writer of " Collegiate Clippings. " He was also active in the Outing Club, the Sodality, participated in his Junior Class play and was a member of the Night of Knights committee. Joanne is a native of Concord, N.H., and attended the Providence School of Design in Providence, R.I.

At present, Mr. and Mrs. " C " are living at 112 Loomis St., Burlington, while Charlie is attending U.V.M. Grad School.

Medical School Exams Offered During May

Candidates for admission to medical school in the fall of 1952 are advised to take the Medical College Admission Test in May, it was announced today by Educational Testing Service, which prepares and administers the test for the Association of American Medical Colleges.

These tests required of applicants by a number of leading medical colleges throughout the country will be given twice during the current calendar year. Candidates taking the May test, however, will be able to furnish scores to institutions in early fall, when many medical colleges begin the selection of their next entering class.

Candidates may take the MCAT on Saturday, May 12, 1951, or on Monday, November 5, 1951, at administrations to be held at more than 300 local centers in all parts of the country. The Association of American Medical Colleges recommends that candidates for admission to classes starting in the fall of 1952 take the May test.

The MCAT consists of tests of general scholastic ability, a test on understanding of modern society, and an achievement test in science. According to ETS, no special preparation other than a review of science subjects is necessary. All questions are of the objective type.

Application forms and a Bulletin of Information, which gives details of registration and administration, as well as sample questions, are available from pre-medical advisers or directly from Educational Testing Service, Box 592, Princeton, N.J. Completed applications must reach the ETS office by April 28 and October 22, respectively, for the May 12 and November 5 administrations.

War Affects Michaelman Staff; Photographers Are Urgently Needed

As you have doubtless heard by this time, there is a war in Korea. In order to fight a war, naturally you need man-power. Now, this man-power comes from all over the country, from shops, business firms, and as we all realize, from schools and colleges.

At St. Mike's, you probably know of at least two or three that have been called to the colors. If not, let me tell you of two of them. You probably didn't know them personally, but nevertheless you have enjoyed their talents if you have read the MICHAELMAN. -- They are the two photographers of the paper, all of whom Uncle Sam figured he could use better than we.

This naturally leaves a "dent" in up-to-date pictures appearing in the paper so, if you like to look at these action or "sitting" pictures of your classmates, new photographers are needed. You don't have to be a professional to be eligible. All that is needed is a "Baby Brownie" if you have nothing else. So don't be afraid to find out all the details if you're interested. -- Come to the next "Michaelman" meeting and get the "scoop." The next meeting will be held in Aquinas Hall, the MICHAELMAN office, at 4:30 Monday afternoon. We shall welcome you with open arms.

Are General Marks Lower This Year?

According to a recent newspaper report, the general average of marks of the college students are lower this year than during any previous year. In accordance with the policies of the MICHAELMAN to publish information which will be of interest to the student body, a reporter was sent to the office of Fr. Gerald E. Dupont, Academic Dean of the college, to find out if this applied to this school.

In answer to the question, "Why are marks lower on the general average this year?" the Academic Dean answered for publication:

"I have no knowledge that marks are lower than they were last year, either in the country in general or at St. Michael's College. I shall be in a better position to comment on this next week. It seems to me, however, a little premature to make any statement concerning level of marks, since in most colleges the mid-year exams have just finished."

NOTICE TO ALL CLUBS

During this semester there will be a special column for all of the news relating to the activities of the different clubs on campus. This will insure equal news coverage of each club's meetings during the week. Special occasions and events sponsored by the various clubs will, of course, be given additional space, but the general news gathered by the club's representatives will be placed under one column.

It is therefore necessary that all the clubs which wish to be represented in the "Club Column" get their news into the MICHAELMAN office no later than Tuesday evening. Wednesday morning will be the absolute deadline. It will be well to bear in mind that the MICHAELMAN comes out every Saturday morning unless otherwise stated. Plan accordingly.

Textbooks for the second semester will be available Saturday and throughout next week. According to an announcement made by Frank Nolan, bookstore custodian, books will be on sale Saturday morning from 8:30 - 12:00 in the Old Hall recreation room.

Students will have ample opportunity to purchase texts during the week at regular bookstore hours: 8:15 - 11:30; 1:00 - 5:00. Only cash transactions will be handled, with the exception of veterans.

Cigar Box Empty Needs Refilling

Charles Lamb once wrote an essay, "On The Two Races Of Men." This essay treated "those who borrow and those who lend." The type that lend are rare indeed and few and far between. Those who borrow make up the vast majority.

The treasurer, Fr. Stankiewicz, is a lender through his "Cigar Box." The borrowers in this school have drained the Box of all its resources including the cigar bands. As yet, the Box has not been replenished since before the Christmas Holiday.

Fr. Stankiewicz announces that the money borrowed from the Cigar Box should be returned as soon as possible so that others may use it. This Box is for the benefit of the student body as a whole and any abuse of this privilege will hurt the students who have a ligitimate use of this Box. Fr. Stankiewicz is willing to go to extreme measures to fill the Box again. He will publish the names of all the students who owe money in the Box if necessary.

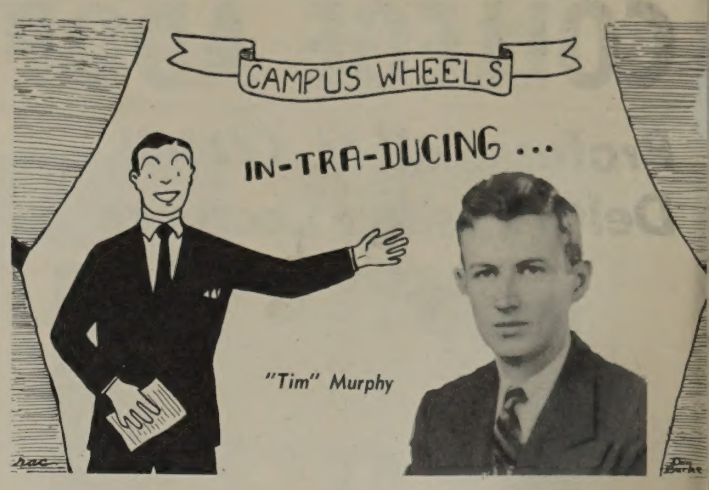
This move shouldn't be necessary as the students, those who borrow, should have sense enough to realize that the loan was temporary and not an outright gift. Let us hope that by the time of the next publication of the MICHAELMAN, the Cigar Box will once again be filled.

A Better Show For Same Dough

Fr. Gerald E. Duford, moderator for the Sunday night movies on campus, has announced that there will be better and more movies during the coming semester. Even though the movies will improve, there will be no advancement in prices for the students. The 10¢ door fee will not be upped.

Through a contract with the Catholic Film Service of Boston, Mass., Fr. Duford has obtained such films as: "The 39 Steps"; "The Spoilers"; "Great Expectations"; "Captain Cautious" and many other well known and popular films. Also, there will be an exceptionally good choice of short subjects shown at the "Sunday Night Theater." To end the season in grand fashion, "Frankenstein and the Wolf-man" will be shown. This horror movie will be seen sometime during May. This was mentioned to prepare the "weak in heart" for the occasion.

Tomorrow night, the students can see their favorite "cowboy," Charles Starret, in "Rocking in the Rockies" ....



If perchance you should ever see a familiar figure riding around on a fire engine in Burlington, do not be too surprised. It is very likely to be your Student Council president, for among many other things, Tim Murphy finds time to be a very active member of the Burlington Volunteer Fireman's Association.

This is probably a rather indirect introduction to the very efficient Timothy but it exemplifies one of his most sterling qualities, curiosity for learning, and the will to work in order to satisfy this curiosity.

Ever since Tim first came to St. Michael's in 1947, he showed this will to work by becoming active in campus activities. He's been working ever since, and the fruition of his labors was realized at the end of last year, when he was elected to head the St. Michael's Student Council for the 1950-51 year. This was the highest of the honors to come to Tim, but by no means the first. Take a look at his record.

ACTIVE ON CAMPUS

While at St. Michael's he has been active on the MICHAELMAN, being Business Manager and serving on the Editorial Board, a member of the Debating Club, founder of the International Relations Club, NFCCS delegate, and member of the French Club, and yet he has still found time to be a Dean's List student every semester of his college career. In view of his outstanding scholastic and extra-curricular achievement Tim was elected to both Delta Epsilon Sigma (National Catholic Honor Society), and Who's Who Among Students in American Universities and Colleges.

Now for the personal side of Mr. Murphy. He's a country boy hailing from Wevertown, N.Y., and proud of it. He is probably best characterized by his always deliberate manner of speech, with a bit of the old up-state New York twang in it. But though his speech may be slow, make no mistake about his thought, which is far from slow. His achievements are proof enough of this.

Tim's out of school interests include just about any books which can teach him anything, classical music, and much to the regret of his housemates, cowboy music. Tim's current favorite in this latter category is "If You've Got the Money Honey, I've Got the Time" (the romantic side of our Student Council President).

Tim's desire to know more about people, and things in general, led him to take a six weeks' trip to Europe this past summer, and while there he developed another interest, that of photography.

Just what is in store for Timothy after June graduation is still uncertain, though a serious gentleman with a long white beard, and a stars and stripes hat, is casting a very inviting look towards the Student Council president.

Tim has spoken of Law School as a post-graduate possibility, so do not be too surprised if some day you should read about Judge Murphy, a graduate of St. Michael's College in Winooski Park, Vt.

Introducing . . .

Jack Conway

By Dan Tarpey

Usually these introductions start off with one who needs no introducing, but certainly this one is different. Yes, Jack " the rabbit" Conway needs an introduction simply because the mild mannered senior from Arlington, Mass., who has played four years of varsity hockey at St. Michael's is only seen hustling back and forth to Miketown.

The slender hockey wizard who would rather skate than eat, hails from Arlington, Mass., where he played high school hockey for three years. Graduating in '41, " robust" Jack proceeded to don the bell bottom trousers for four years, and served in the South Pacific for 27 months.

Entering St. Michael's in '47, Arlington Jack elected Economics for his major with a minor in Education.

Potentially not a red flag man, one seldom sees the names of Felony or Fecteau in the scoring column without an assist from the congenial Arlingtonian.

Jack, once a member of the dauntless " River St. Marauders," forsaked the boys this season and settled down with a cute blonde by the name of Marianne.

Residing in Miketown, Jack and his petit wife are becoming proficient in household arts and sciences by bringing up a stray dog and three puppies.

Good luck to Jack Conway, the Arlington whizzer on blades, for St. Michael's salutes you on your contributions to its success.

KNIGHTS SHINE IN COPPING NO. 12

By Bill Keogh

" The stars Saturday night,
were big and bright,
Clap! Clap! Clap! Clap!
And they bea-t, big Texas."

Although we leave such wordings to the song writers, the lyrics were applicable to the Knights' 22nd straight home victory over the Rams of Texas Wesleyan College, 75 to 61. The 14 point spread doesn't indicate the battle that was carried on in the game which found the lead changing hands 13 times and tied 5 times during the entire contest.

The fair exchange type of play was seemingly used by both clubs in the first half. Basket-for-basket and tit-for-tat was the rule. Jim Farley contributed 16 points for the Purple's cause and Joe Prater gave 12 markers for the Rams' purposes in the first twenty minutes. " Fancy" Farley's head-up play and ball stealing had the Texas guards wondering where he was all the time. Prater's one-handed shots were unstoppable, making half of his ten attempts, but the 6' 3'' forward couldn't hit in the latter half to account partially for his team's failure. The boys from Fort Worth showed the locals their style of play with the one-handed push shot and a variety of hook shots that left the score 40-36 in the Branonmen's favor at the finis of the half.

With the team back in the groove, the usual stars stood out. Ted Burzenski and Jim Farley had 22 and 20 digits respectively to lead in the Knights' scoring. The floor play of the " Diamond Duo" of Paul Stapleton and Farley was outstanding and reminiscent of their teamwork as members of the Frosh squad three years ago. " Hawk" Burzenski was his usual self in good rebounding against the 6' 5'' Doug Simmons of the Rams.

In the visiting scoring department, the points were divided among Lou Zastopil with 16, Charlie Stewart with 14, and Joe Prater's even dozen which he garnered in the first half.

Hockey
St. Michael's 8
Norwich 7

By Fran Hoben

St. Michael's hockey squad evened up their season's record Wednesday afternoon by defeating Norwich 8-7 on home ice. The contest was in doubt all the way as the lead changed hands three times and was deadlocked on five occasions. The small but enthusiastic crowd thrilled to the Purple's third period comeback that saw no less than four goals be scored in the first 10 minutes.

This outburst proved to be more than the visiting Cadets could overcome, although Wickins rammed home his third score of the contest with about twenty seconds remaining to move his club dangerously close to a tie. Little Al Fecteau was the big gun for Coach Fr. Larkin's sextet, notching three goals himself and an assist, for a total of four points for the afternoon. However, it was Co-captain Jim Feloney, who put the damper on Norwich plans when he broke through to dent the strings at 6:25 and again at 10:30 of the final period. These two scores were just enough to give the Knights their commanding lead.

MALONEY ON DEFENSE

Not to be forgotten was the other member of that high-scoring first line, Co-captain Jack Conway, whose two assists and single goal made him runner-up with Fecteau in the scoring pace. Big George Maloney, on defense, busted up many plays and came through at 1:15 of the last period to net S.M.C.'s fifth red-lighter of the afternoon.

HILLTOPICS

By Dan Tarpey

How about this -- A salute to the hockey team and well they deserve it after their stunning 8-7 upset over the highly touted Norwich Cadets. The previously unbeaten Horsemen, hailed as one of the best teams in the East tumbled Colby and New Hampshire before meeting the smooth skating Knights' sextet.

Hockey is a great game in my opinion, and I personally would like to see it as an equalizer to the other three major sports at the Hilltop. But unfortunately it can't be, that is, presently it is an impossibility. Like every other sport hockey games are scheduled a year in advance to the playing dates, but at St. Michael's they are more or less on a tentative basis. Now all hockey fanatics (and I am one) will say how come. The simplest of answers to my dear friends are (1) that there is no indoor rink, and (2) we at the Hilltop are dependent upon " Mother Nature" to perform the unique trick.

Last Wednesday afternoon I ventured out to the rink in sub-zero temperature (and a bunch of shamrocks to those who were with me because literally speaking, we nearly froze to death) to watch the thrilling S.M.C. - Norwich encounter. Although I knew it beforehand, I again had the satisfaction to witness the best line in N.E. in operation. Yes, Messrs. Felony, Conway and Fecteau are positively and absolutely the best forward line in that area. B.C. owns Mulhern, B.U. has a lease on Garrity (and a very big one, too), but for my money it is Jim " the rocket" Felony, whom I would gladly place in their company any day of the year, knowing with all solicitude he would outshine the above mentioned.

You would actually be surprised to find out how many Burlingtonians make weekly trips to the real north country to see " Les" Canadians in action. This trip would be unnecessary providing that some business from the downtown area or elsewhere, gets on the ball, and builds some kind of an arena primarily for the use of hockey. With such hockey talent at St. Michael's and realizing that Burlington is hockey hungry, I think I can guarantee this gentleman or syndicate the eventual possibilities of the ice game outdrawing the court game.

Pictured left to right at a pre-game luncheon held at the Black Cat Restaurant last Saturday are: Athletic Director George " Doc" Jacobs; Coach Barry Branon; Proprietor of Black Cat, Charles Chantis; Mayor Moran and visiting coach, Johnnie Edwards.

Coach Johnnie Edwards' comment - before the game " we expect a tough game from St. Michael's," after the contest - " St. Michael's was one of the best teams we have played, the ' refs' were very good in comparison to what we have seen in the East, and oh! that 'Postmaster' Farley, I think that's what you call him, isn't it, is terrific."

CARNIVALITES TO SEE KNIGHTS VS. HAWKS

By Bernie Smith

One of the standout features of the Fourth Annual Winter Carnival is scheduled for 8:30 Saturday night when the high-flying Hawks of St. Anselm's invade Burlington Memorial Auditorium to do battle with the Purple Knights of St. Michael's.

St. Anselm's, coached by Al Grenert, will once again present a fast-breaking, fancy shooting quintet built around their high scorer and captain, Bill O'Connor. Last year he threw in 420 points and is setting an even hotter pace this year with an average of around 18 points per game. Another standout is sophomore Bobby Williams, brilliant ball handler and speed merchant. The other three members of the starting five, Bernie D'Orazio, Charlie Duffley and Bart Lavin also are sophomores. An interesting point to keep in mind is the fact that each of the starting five goes over six feet with D'Orazio and Duffley the tall men at 6' 5''

The Hawks are tackling a 26 game slate this year and in their first thirteen games have a record of 11-2, losing only to Wheaton College and Providence in early season encounters. They recently reversed the tables on Providence. Last year St. Anselm's finished up with a 16-8 record, including one victory in three starts against the Purple Knights.

From all indications, this game shapes up as a high scoring affair similar to the Taylor and Texas Wesleyan games. St. Michael's starting five of Barry, Aumond, Burzenski, Farley and McCarthy will have to play the best basketball of which they are capable to defeat the Grenert men.

Passion Plays During Lent

The Pen and Mike will do a Dramatization of the passion of Christ in five episodes which will last throughout Lent. The first program will be heard over station WJOY at 12:30 p.m., Sunday the 11th of February and carrying through each following Sunday, ending up on Passion Sunday, March 11.

The plays will be directed be Howard Lancour, President of the Pen and Mike Club. Rev. Fr. Gerard E. Duford, the club's moderator will produce the plays. The cast of characters will be composed of the members of the Pen and Mike Club of both St. Michael's College and Trinity College of Burlington.

The first play will treat of the bargain between Judas and the High Priest for the betrayal of Christ. The second episode will deal with the Last Supper and the Agony in the Garden and the arrest of Christ. The following productions will be on the trial before Caiphas, the trial before Herod, the condemnation by Pilot, and the Crucifixion.

Fr. Duford announces that there will be many openings for parts in this project and all those in the club will be welcome to try out.

With the beginning of Lent Wednesday, there will be a High Mass at 7:00 with the blessing and distribution of ashes during the Mass. Another Mass will follow at 7:30. There will be two Masses every morning during Lent at 7:00 and 7:30. On every Friday evening, there will be the Stations of the Cross at 6:00 p.m.

Carnival Notes

Continued from page 1

entertainment with ski jumping at Underhill and cross country races here at school.

Saturday afternoon will see that much awaited hockey game between Us and them, them being R.P.I. from Troy, N.Y.

Saturday, about noon time, will also see, or hear a scheduled "Jazz Concert" in Austin Hall. Bill Cofrances will again be leading his "Jazzsters" to that ultimate criterion of red-hot music: "jazz," Arabian Knights' style.

Next on the list will be the game of the weekend, the basketball game at Memorial Auditorium between the Hoopsters of S.M.C. and the St. Anselm's five, these two top teams in New England (11 and 1 - 11 and 2 respectively). According to local and national voices, this game could well be a preview of the finals in the First District of the National Catholic Invitational Tourney to be held in the spring. After the game, there will be an informal dance held in Austin Hall.

SKI TRIP SUNDAY

Sunday morning, for those who can survive, there will be a ski trip to Mt. Mansfield. The trip will start after the Skiers' Mass which will be held in the Chapel at 8:00 a.m. This trip will leave about 8:45 and return at 6:00 p.m.

Missions Conduct Clothes Drive

The old clothes drive conducted by the Mission Crusade was a success. This drive was conducted because of an appeal by Father Nelson Ziter of Selma, Alabama, who said that in Selma they were experiencing an unusually hard winter and many of the boys at the Boys' Club were without warm clothing.

THANKS!!

The Mission Crusade collected seven large cartons which were shipped to Selma, Wednesday. Father Maurice Boucher, moderator of the Mission Crusade was very pleased with the results of the drive. He said that the clothes collected by the Mission Crusade would clothe about thirty boys. Father Boucher would like to thank everyone who contributed to the clothing drive.

The drive is over now but the big drive of the year will come in June.
